

Rate & Fee Schedule

Effective October 17, 2018

This schedule sets forth conditions, rates, fees and charges applicable to Savings, Checking, Certificate Accounts, Individual Retirement Accounts (IRA's), Coverdell Education Savings Accounts (CESA's) and Health Savings Accounts (HSA's) at Granite Federal Credit Union. The credit union may offer other rates and fees or amend those contained herein. Each account holder agrees to the terms set forth herein and acknowledges that it is part of the Membership and Account Agreement. For terms on member business accounts, please see the Business Rate and Fee Schedule.

24 month First Step	\$ 25	2.96%	3.00%		Monthly	

*18 month certificates available to Alumni members (age 55+) at the 24 month rate published above.

TRUTH-IN-SAVINGS DISCLOSURES

Except as specifically described, the following disclosures apply to all accounts:

1. Rate Information. The Dividend Rate and Annual Percentage Yield on your accounts are set forth herein. For Regular Savings Accounts, the Dividend Rate and Annual Percentage Yield may change monthly as determined by the Credit Union's Board of Directors. For Money Market Savings Accounts, and IRA Savings Accounts, the Dividend Rate and APY may change at any time as determined by the Credit Union's Board of Directors. The Money Market Savings is a tiered-rate account. The Dividend Rate and Annual Percentage Yield applicable to the Money Market Savings account depend on the balance ranges set forth herein. Once a balance range is met, the Dividend Rate and Annual Percentage Yield for that range will apply to the full balance of your account. For Certificate accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. A withdrawal of dividends will reduce earnings.

2. Nature of Dividends. For Share Savings, Money Market Savings, and IRA accounts, dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual Percentage Yield set

forth herein are accurate as of the Effective Date and is the rate that the credit union anticipates paying for the applicable dividend period.

3. Compounding & Crediting. The Dividend Period is the period of time at the end of which an account earns dividend credit. Dividends for all accounts will be compounded and credited monthly. The Dividend Period for all accounts begins on the first calendar day (effective date) of the month (or the open date during the first month) and ends on the last calendar day (effective date) of the month.

4. Accrual of Dividends. For all accounts, dividends will begin to accrue on cash and noncash deposits on the day the credit union receives provisional credit. Dividends will begin to accrue on electronic direct deposits on the calendar day (effective date) we receive the deposit. If you close a Share Savings, Money Market Savings, or IRA account before accrued dividends are credited, accrued dividends will not be paid.

5. Balance Information. To open any account you must deposit or already have on deposit at least the par value of one full share in a Share Account. The minimum balance required to open each account is set forth herein. For Share Savings, Money Market, IRA, and Certificate accounts, the minimum daily balance required to obtain the stated Annual Percentage Yield is set forth herein. If the minimum balance is not met, you will not earn the stated Annual

Percentage Yield. For all accounts, dividends are calculated by the daily balance method, which applies a daily periodic rate to the principal in the account each day.

6. Savings and Checking Account Limitations. For Share Savings and Money Market Savings accounts, transaction limitations will apply. No more than six (6) preauthorized, automatic or telephone transfers may be made from these accounts to another account of yours or to a third party in any month. If you exceed these limitations, your accounts may be subject to a fee or be closed. For Checking accounts, no account transaction limitations apply.

7. Certificate Account Features.

a. Account Limitations After your account is opened, you may not make additional deposits except with First Step Certificate accounts. For First Step Certificate accounts, you must choose a monthly amount (\$10.00 minimum) to be automatically transferred from your Checking, Share Savings or Money Market accounts. You may also make additional deposits with a First Step Certificate account. On the crediting date, you may elect to have dividends transferred automatically to your Share Savings, Money Market or Checking account.

b. Maturity. Your Certificate account will mature on the maturity date set forth on your Account Receipt or Renewal Notice.

c. Early Withdrawal Penalty. We may impose a penalty if you withdraw any of the principal balance before the maturity date.

(1) Amount of Penalty For all Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:
 i. Terms of twelve (12) months or less – ninety days (90) days of dividends;
 ii. Terms of twelve (12) to forty-eight (48) months– (180) days of dividends;
 iii. Terms of forty-eight (48) months or more – (365) days of dividends;

(2) How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividend that has been or would be earned on the amount withdrawn. It applies whether

or not the dividend has been earned. If the account has not yet earned enough dividends or if the dividend has already been paid, the penalty will be deducted from the principal.

(3) Exceptions to Early Withdrawal Penalties. We may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

i. When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

ii. Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after establishment, provided that the depositor forfeits an amount of at least equal to the dividend earned in the amount withdrawn.

iii. Where the account is a Traditional or Roth IRA and the amount being withdrawn is during the year the IRA owner turns age seventy-and-a-half (70 1/2) or any year thereafter.

iv. For First Step Certificate accounts that have been open at least one (1) full calendar month prior to the end of the quarter month (January, April, July and October), you may make one withdrawal of any amount up to the balance during the first five (5) calendar days of a calendar quarter month (January, April, July and October).

d. Renewal Policy. Regular Certificate, IRA Certificate and First Step Certificate accounts are automatically renewable accounts. Your account will automatically renew for another term upon maturity, and you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. First Step Certificates are automatically renewable as Regular Certificates. From time to time, the credit union may offer Certificates at special rates. These “Special Offerings” are renewable as regular Certificates. You may elect not to have your Certificate account renew at any time.

e. Nontransferable/Nonnegotiable. Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure any obligation without our prior written consent.

FEE SCHEDULE
